The difference between state-level poverty rates depicted in the pie graph and the county-level rates indicated on the next page is due to the data year. To compare the county’s poverty rate with that of its peer counties, use the poverty row in the Economic indicators section on the next page. If only referencing state’s poverty rates, use the more recent state-level data available in this pie graph.

Current Rate 2016 | Trend -0.57%, 2012–2016

Under 100% poverty
Trend -0.64%

100–149% poverty
Trend -0.15%

150–199% poverty
Trend -0.14%

200%+ poverty

The findings and conclusions presented are those of KAC and do not necessarily reflect the opinions of the Foundation. Data collection and analysis were provided by the Kansas Health Institute.

 Kansas KIDS COUNT is produced by Kansas Action for Children (KAC) and funded, in part, by the Annie E. Casey Foundation. The findings and conclusions presented are those of KAC and do not necessarily reflect the opinions of the Foundation. Data collection and analysis were provided by the Kansas Health Institute.

Kansas Action for Children is a nonprofit, nonpartisan organization dedicated to shaping policy that improves the lives of Kansas children and families.

Kansas Action for Children  |  709 S Kansas Avenue, Suite 200  |  Topeka, Kansas 66603  |  www.kac.org

For almost 40 years, Kansas Action for Children has worked to shape health, education and economic policy that puts children first. Our goal is to make Kansas the best place to raise a child and be a child.

For more Kansas data, visit kac/kidscount. To see how Kansas kids compare on a national level, visit datacenter.kidscount.org.

Current data through 2016.

Kansas KIDS COUNT provides an annual snapshot of how children and families are doing statewide, as well as how they compare on a county-by-county basis. The indicators tracked in this fact sheet reflect the current condition of Kansas children and can be used by state and local leaders to craft policies and interventions that can help every child achieve their full potential.

Poverty status of Kansas children under 18.
