POVERTY

Poverty status of Kansas children under 18.

The difference between state-level poverty rates depicted in the pie graph and the county-level rates indicated below is due to the data year. To compare the county’s poverty rate with that of its peer counties, use the poverty row in the Economic Indicators section below. If only referencing state’s poverty rates, use the more recent state-level data available in this pie graph.

CURRENT RATE

State Level Data

2019 KIDS COUNT

JEFFERSON COUNTY

Kansas KIDS COUNT provides an annual snapshot of how Kansas children are doing statewide, and how they compare on a county-by-county basis. For more Kansas data, visit kac.org/kidscount. To see how Kansas kids compare on a national level, visit datacenter.kidscount.org.

POVERTY
